SHINING RIVERS PRECIOUS LAND

A Book By Kathryn Sargeant and Mary Davis

This book is a compilation of oral histories and discussions of various members of the community, touching on the Albuquerque North Valley area. It touches many subjects and people. It was authored originally without an index, making it difficult for researchers.

The Genealogy Club of Albuquerque has undertaken a project of preparing indexes for many of these works so they would be of more use and benefit to the researcher. This index contains proper names and also subject matter where possible.

Where a name appears on consecutive pages, the page numbers are separated with a hyphen, i. e., 135-138 indicates the name will appear on each page in that inclusive series.
